

## A Letter from Eric Sather...

Hello NLTRA Constituents:

With the important Board election upon us, I wanted to send a note to encourage your vote for me for the Recreation seat. As a person who deeply appreciates mountain life, and the abundant recreational opportunities Lake Tahoe affords, I believe that my background in mountain resort communities including Aspen, Telluride and Sundance Resort in Utah make me an outstanding choice for the Board seat. I promise to work purposefully on behalf of the region's recreation businesses to create a better environment for future success.

As I mentioned on my candidate application, at Resort at Squaw Creek, through our High Altitude Adventures recreation department, we offer a variety of recreational amenities including fly fishing, Nordic Center, ice skating, Mountain Buddies children's program, golf and guided hikes. More importantly, our concierge staff recommends a variety of recreational activities throughout North Lake Tahoe on a year-round basis, whether it be mountain biking, rafting, paddle boarding, boating, snowmobiling or other pursuits.

Please know that my family and I are delighted to be part of this wonderful community. I hope that I can meet you in person at the North Lake Tahoe Recreation Luncheon on Thursday, or perhaps at another community function in the near future.

I appreciate your vote.

Respectfully,

Eric Sather
